OBJECTION KILLERS

"Too expensive"

A marketing employee costs \$2.5M/mo + benefits.
This is a one-time cost and works 24/7.

"I need to think about it"

What specifically? If it's price, we have options.
If it's fit, we can do a small pilot first.

"I got burned by another agency"

That's why we guarantee results: if response
time doesn't improve 80%, money back.

"It's low season right now"

BEST time. You'll be ready when high season hits.

CALL FLOW (20-30 MIN)

1. RAPPORT	2-3 min	Show you did homework, give specific compliment
2. PAIN	8-10 min	"Walk me through what happens when someone messages at midnight..."
3. AMPLIFY	3-5 min	"So you're losing about \$X per month from slow responses..."
4. SOLUTION	5-7 min	Outcomes not features. Response time, bookings captured, time saved
5. CLOSE	2-3 min	"Investment is \$X, you recover it in Y days. Ready to move forward?"
